

DREAM ON Social Media

Using social media is one of the most effective methods of publicizing your community screening of DREAM ON. We suggest starting a Facebook event page; inviting your colleagues, partner organizations, friends, and neighbors; and continuing to post regular updates to entice viewers to attend your screening. Twitter is also a great way to alert your followers and send reminder notices.

Please be sure to advise us of the details of your event, so we can post them to the DREAM ON Facebook page and Twitter account. Share our content on your event page as well. For images and information about DREAM ON, please visit our press room at <http://www.pppdocs.com/pressroom.html>
